TORONTEL

ORANGE WINE
D.O. MAULE VALLEY
LONCOMILLA - CHILE

Naranjo is a Torontel grape wine native to the Maule Valley. After the delicate winemaking process, the whole wine remained in contact with the skin of the grape for eight months. It has a bright copper color with notes of orange skin, grapefruit, dried peaches and apricots, which make it a smooth wine and persistent texture with a pleasant freshness, elegant acidity and long finish.
